PROTOCOL: "Ketamine-Assisted Therapy of Alcoholism".

INSTITUTIONAL  
APPROVAL: James A. Haley VA Hospital

The protocol and informed consent entitled above was presented to the Institutional Review Board at its last meeting and was approved for a one year period. At the end of this period the Board shall request that you submit a Research Progress Report for Continuing Review or a Final Report for the study.

Please remember that you are responsible for prompt reports to this Board concerning any injuries to human subjects, any proposed changes in research, or any unanticipated problems which involve the risks to the human research subjects or others. Changes in research may not be initiated, unless they are necessary to eliminate apparent immediate hazards to the subject.
